在一片無止境高的森林裡，每個人的腳下都有屬於自己的樓梯。階梯圍繞著樹林，一階一階的通往樹梢。每走上一層就能看到從沒看過的風景和更遠的地方。

Once upon a time, there was a forest where treetops are infinitely high. Under everyone's feet belonged a flight of stairs reaching up. Those stairs led all the way up to the treetops. Each step up revealed landscapes unforeseen and places beyond.

Rainy was climbing up strenuously.
He was out of breath, but his expectation
kept him going with hope. Climbing up was exhausting,
but the breathtaking scenery to come brought pleasure
and was enough to forget tiredness.

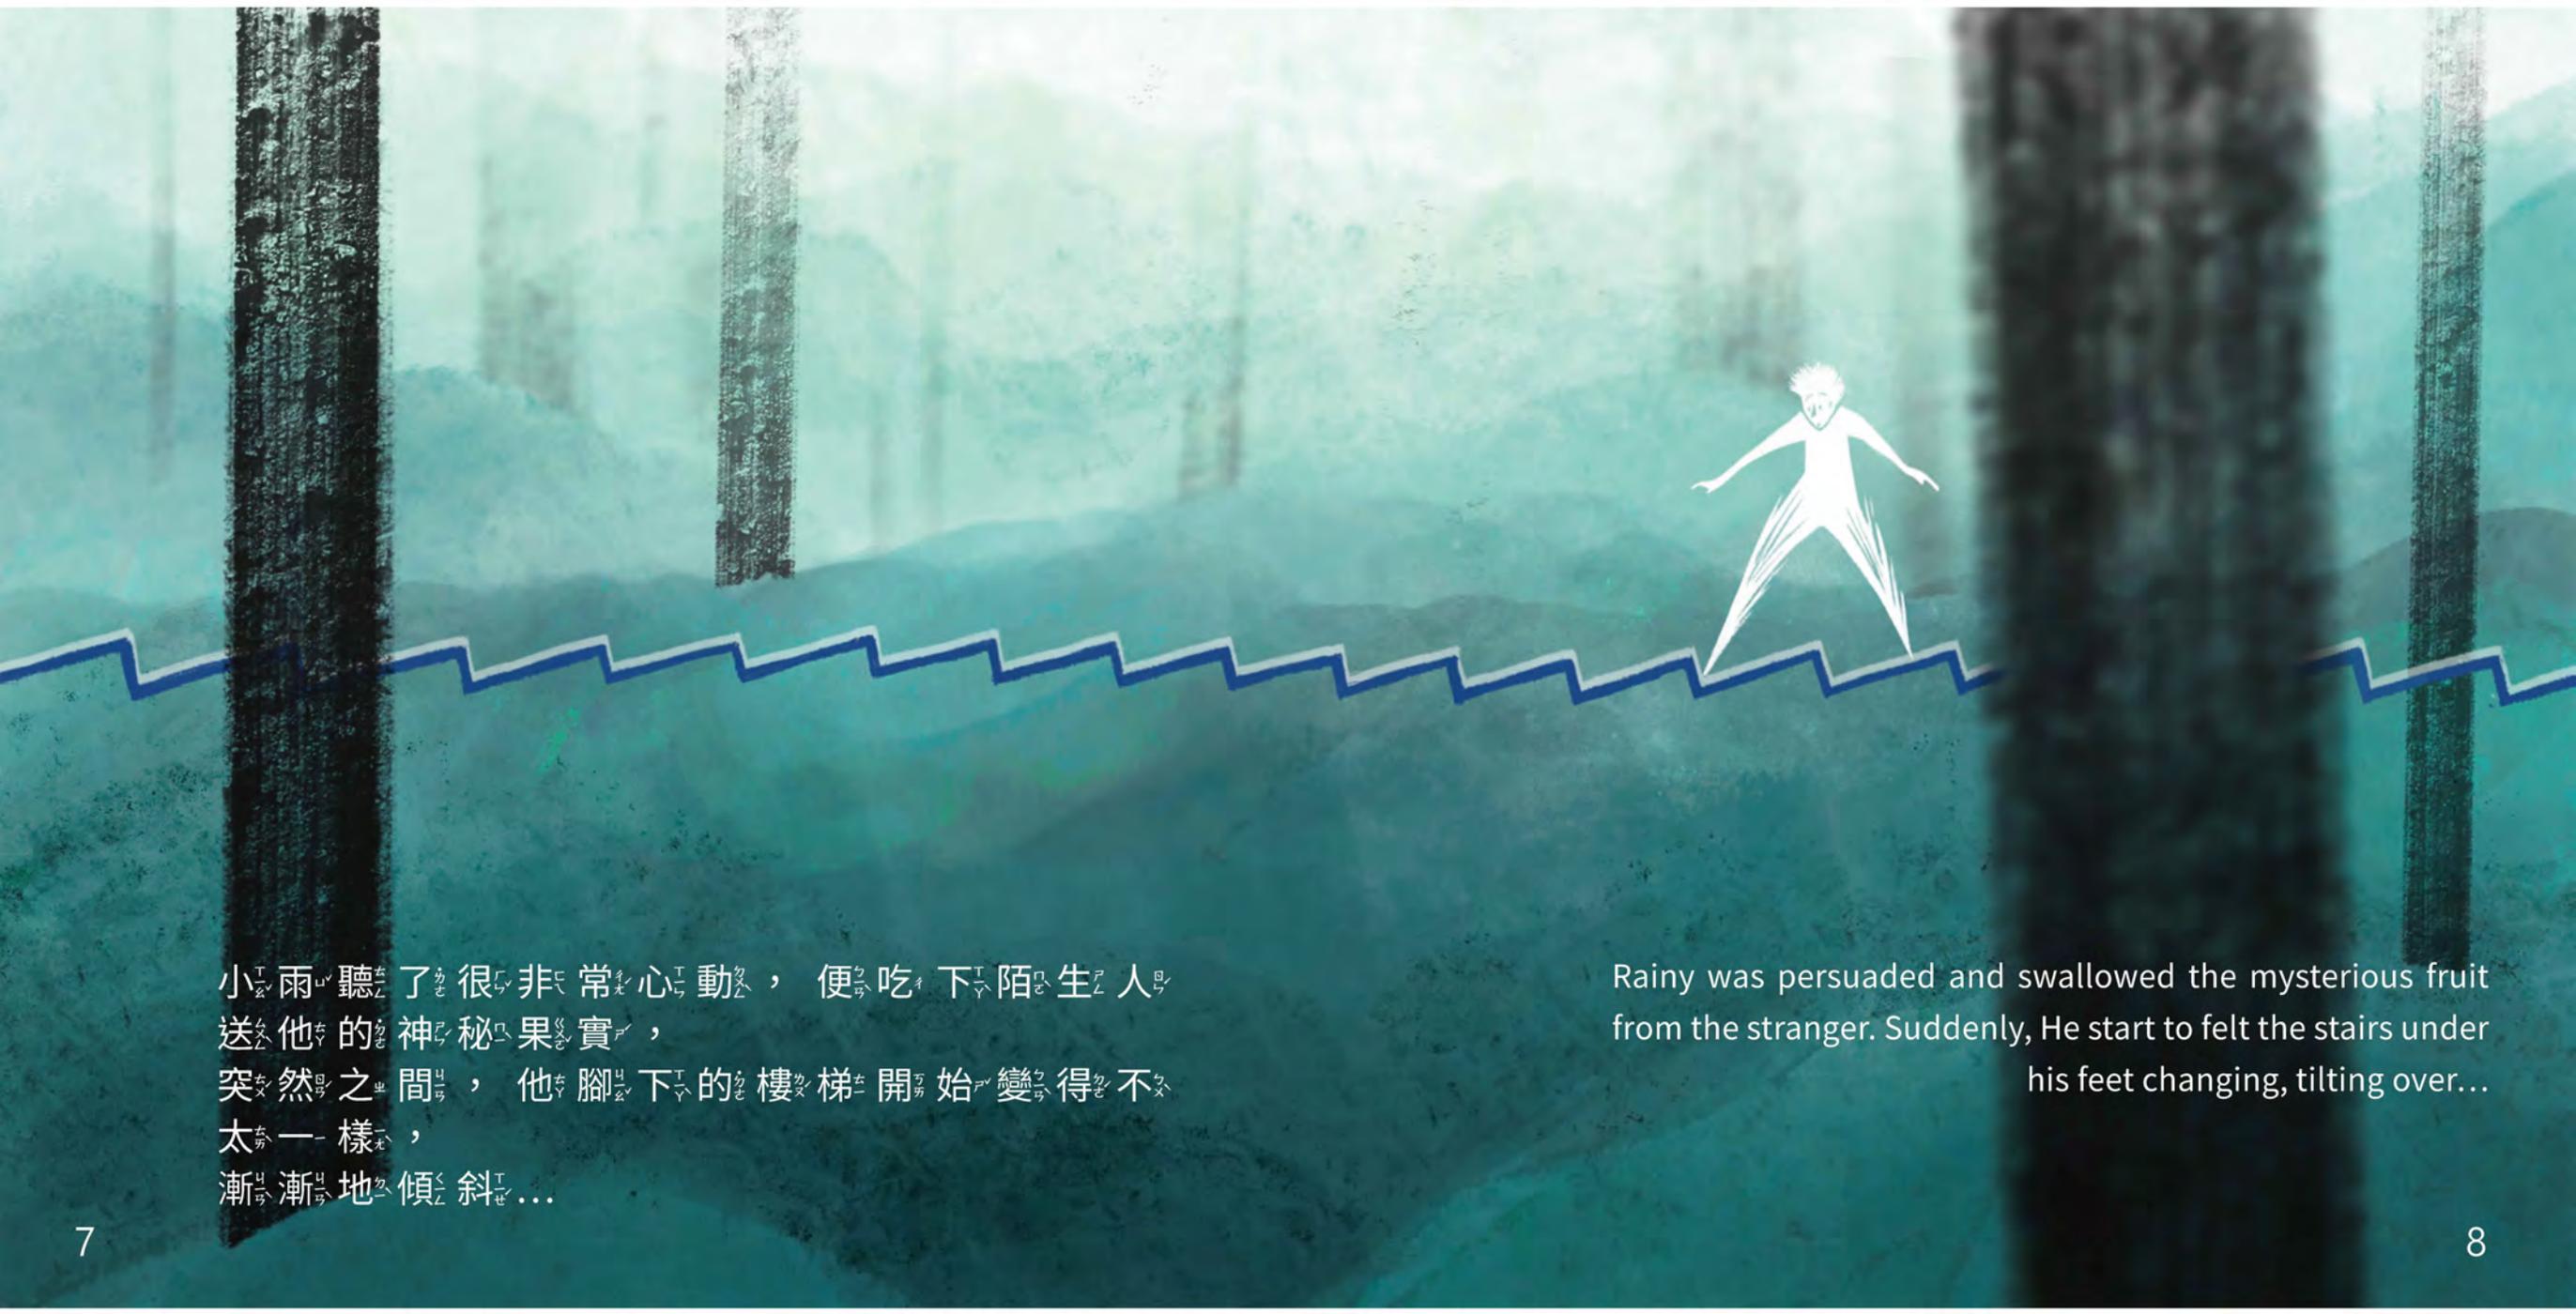

有一天，小雨遇見了另一個階梯上的陌生人。

奇怪的是他怎麼看起來一點都不累，還興奮得不得了。

小雨問：「為什麼我們爬了這麼高，你卻一點都不累呢？」

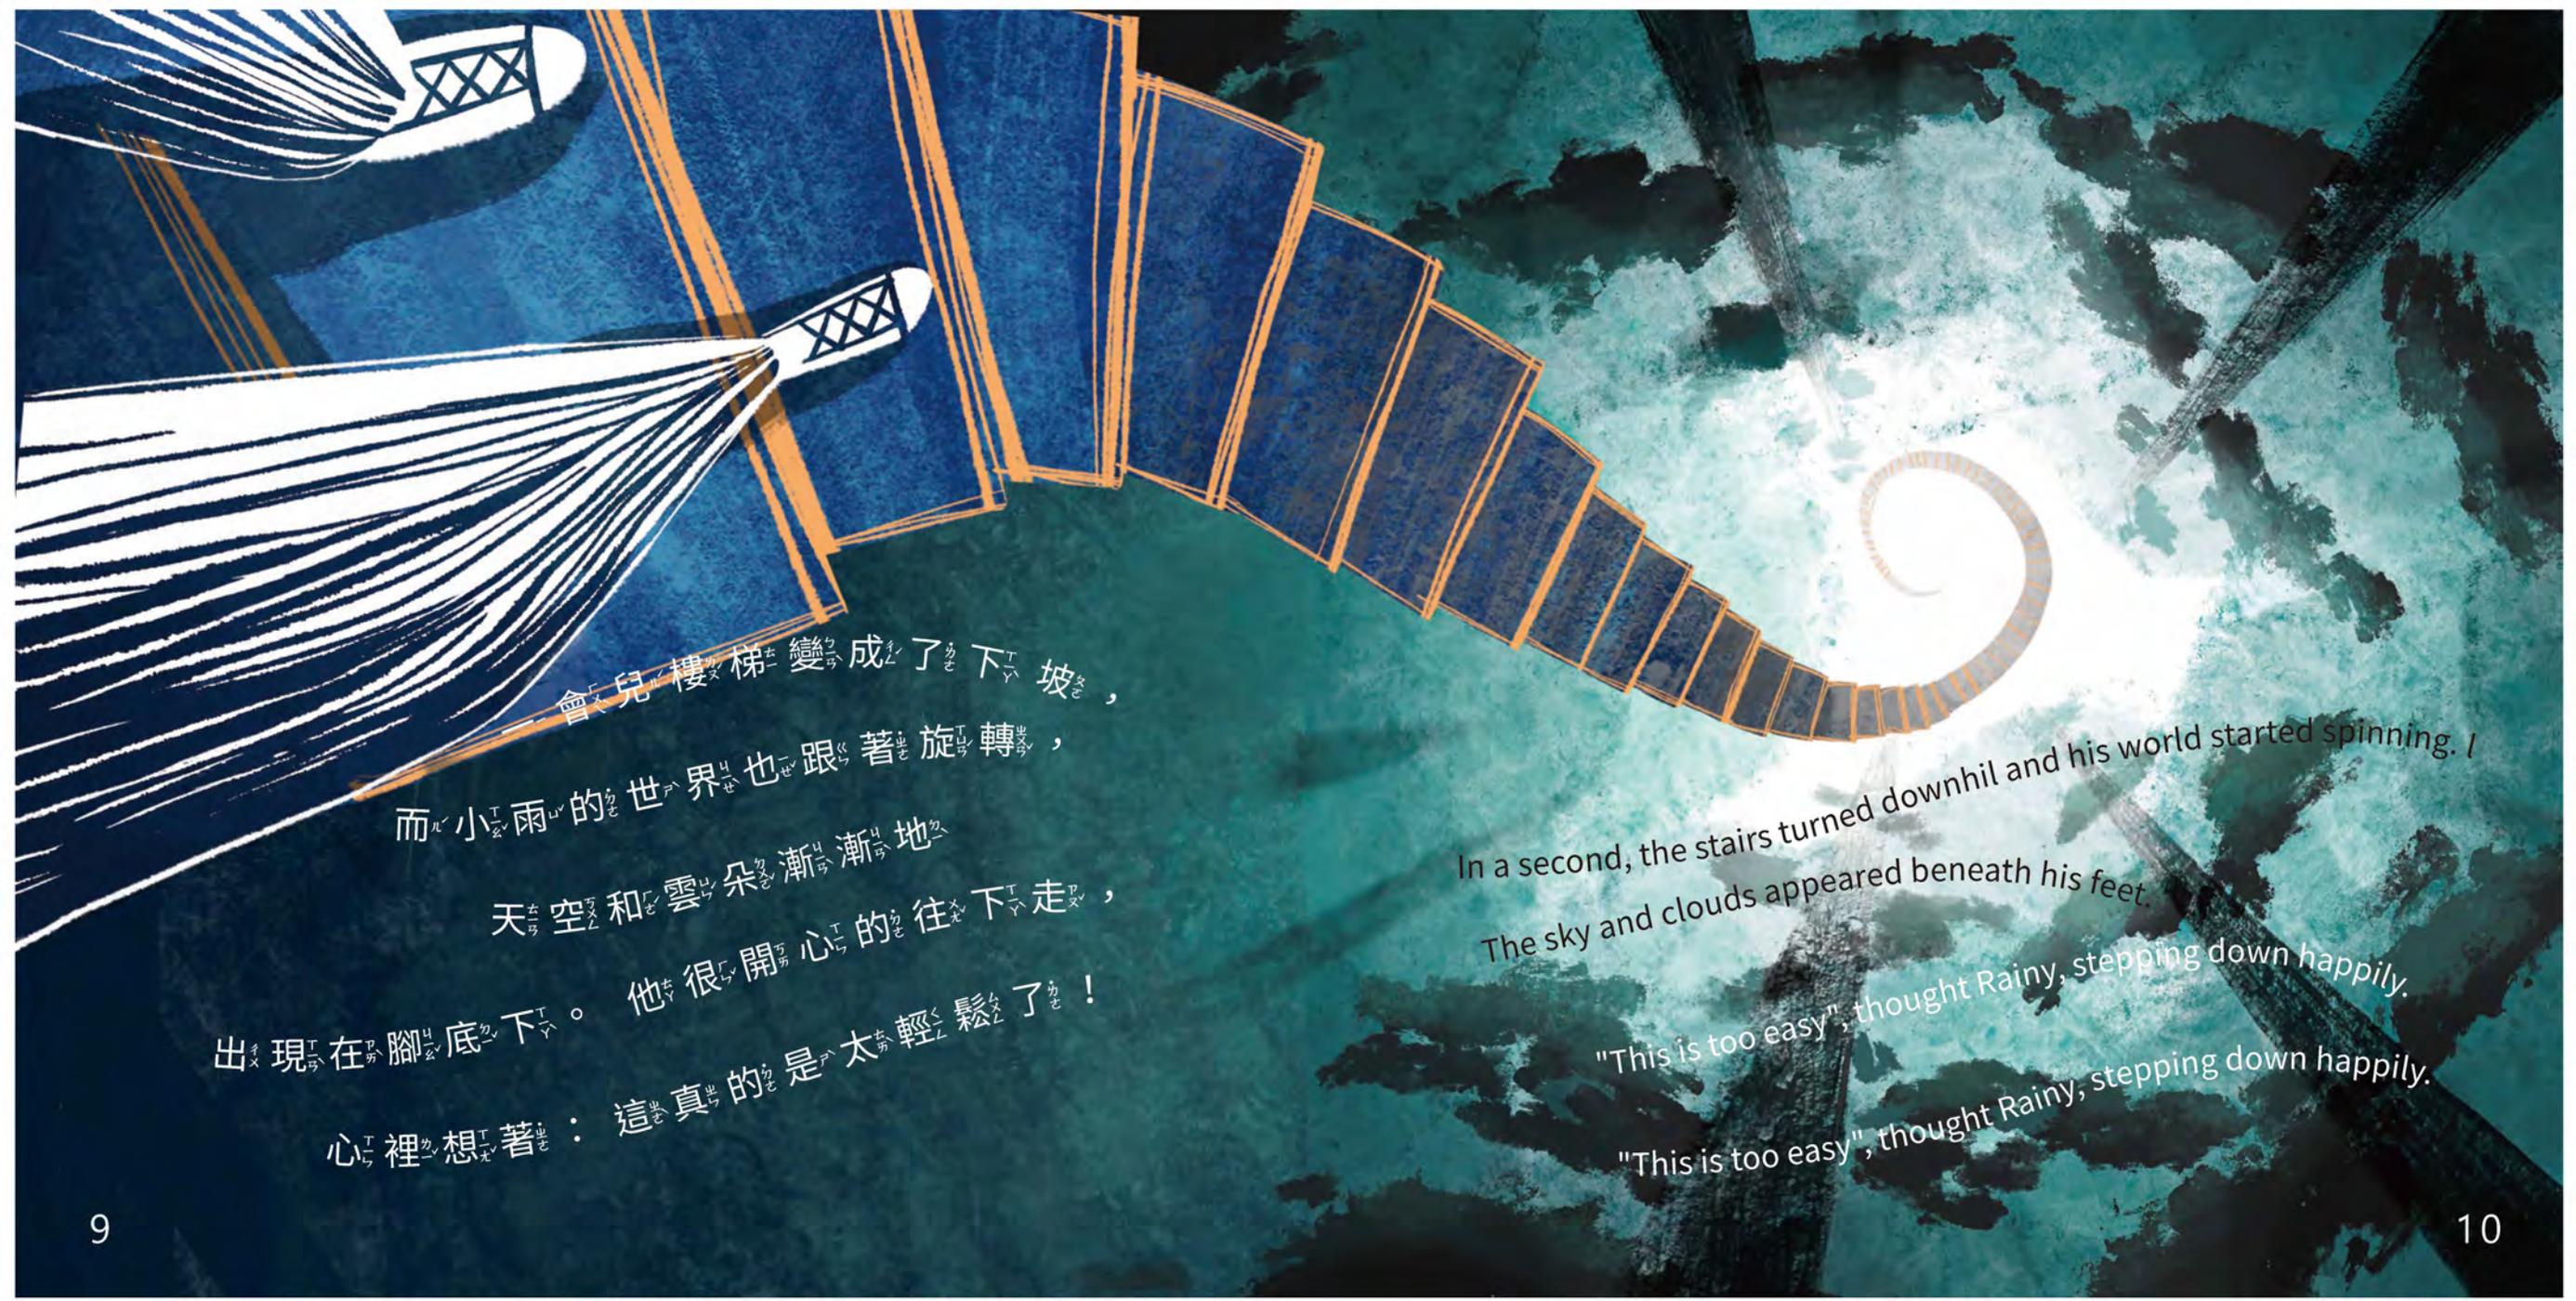

陌生人說：「因為『神秘果實』會使一切變得輕鬆，而你的樓梯也會出現意想不到的變化呦！」

One day Rainy saw a stranger on another flight of stairs. That man was not tired at all but overly excited. "Why aren't you tired at all after climbing so high?" Rainy asked, The stranger replied, "That's because this 'mysterious fruit' makes things easier and changes your stairs astonishingly!"

Rainy was persuaded and swallowed the mysterious fruit from the stranger. Suddenly, He start to felt the stairs under his feet changing, tilting over...

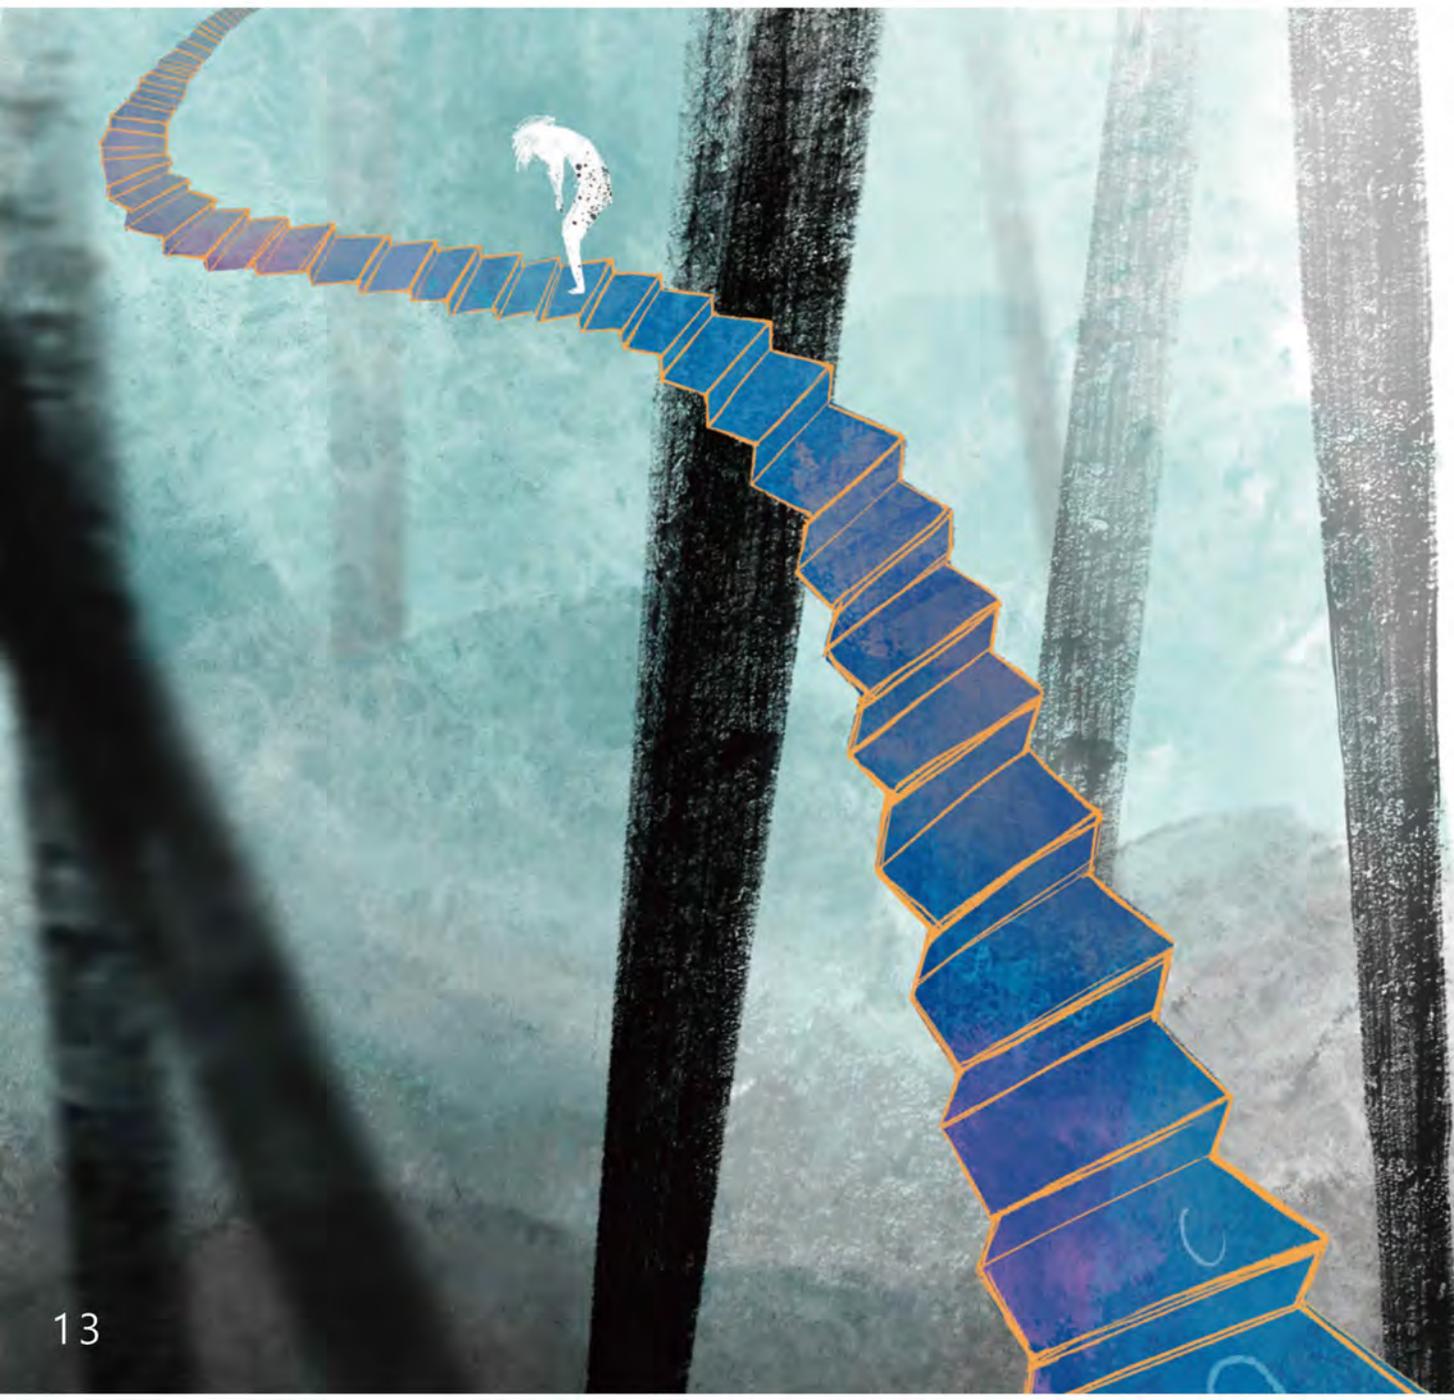

會兒樓梯變成了下坡，
而小雨的世界也跟著旋轉，
天空和雲朵漸漸地
出現在腳底下。他很開心的往下走，
心裡想著：這真的是太輕鬆了！

In a second, the stairs turned downhill and his world started spinning. I
The sky and clouds appeared beneath his feet.

"This is too easy", thought Rainy, stepping down happily.
"This is too easy", thought Rainy, stepping down happily.

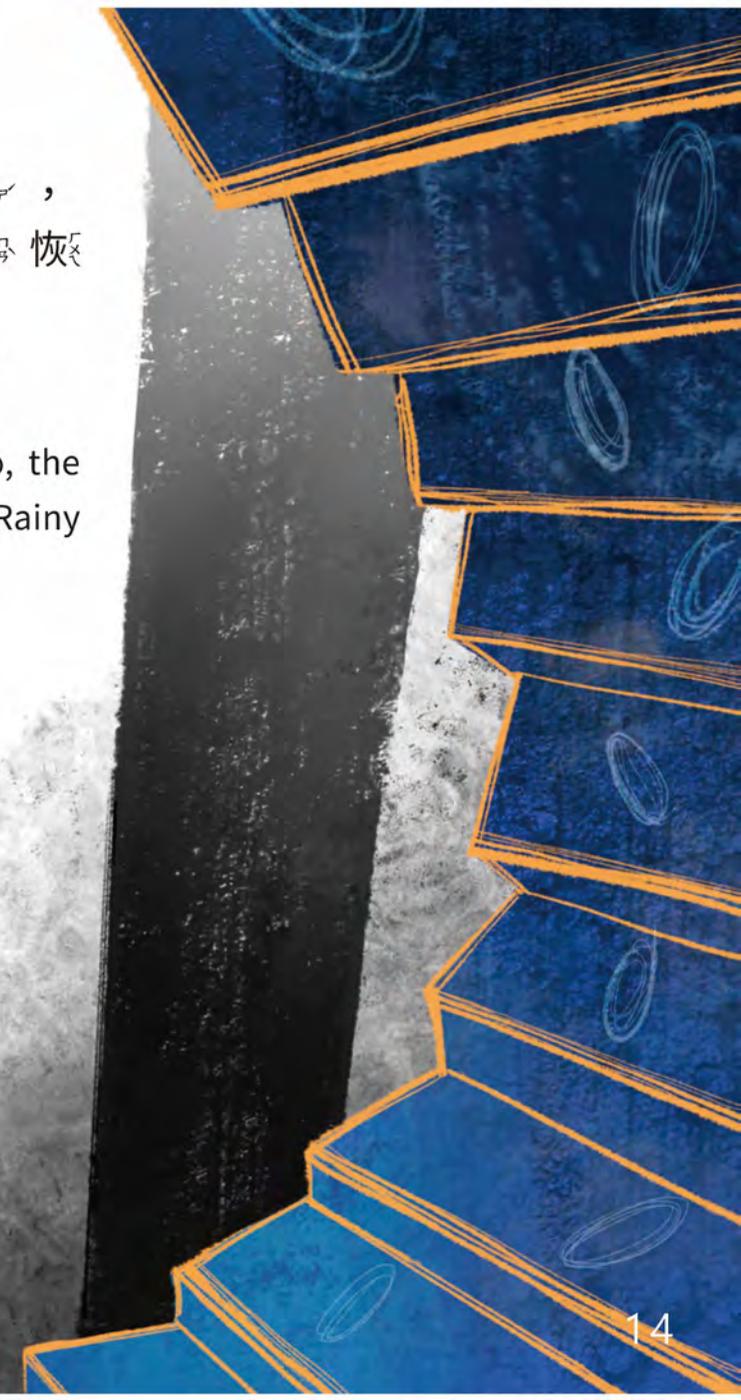

但是不久後，
樓梯越來越傾斜，
變成像懸崖一樣陡峭。
小雨只好緊緊抓住樓梯。

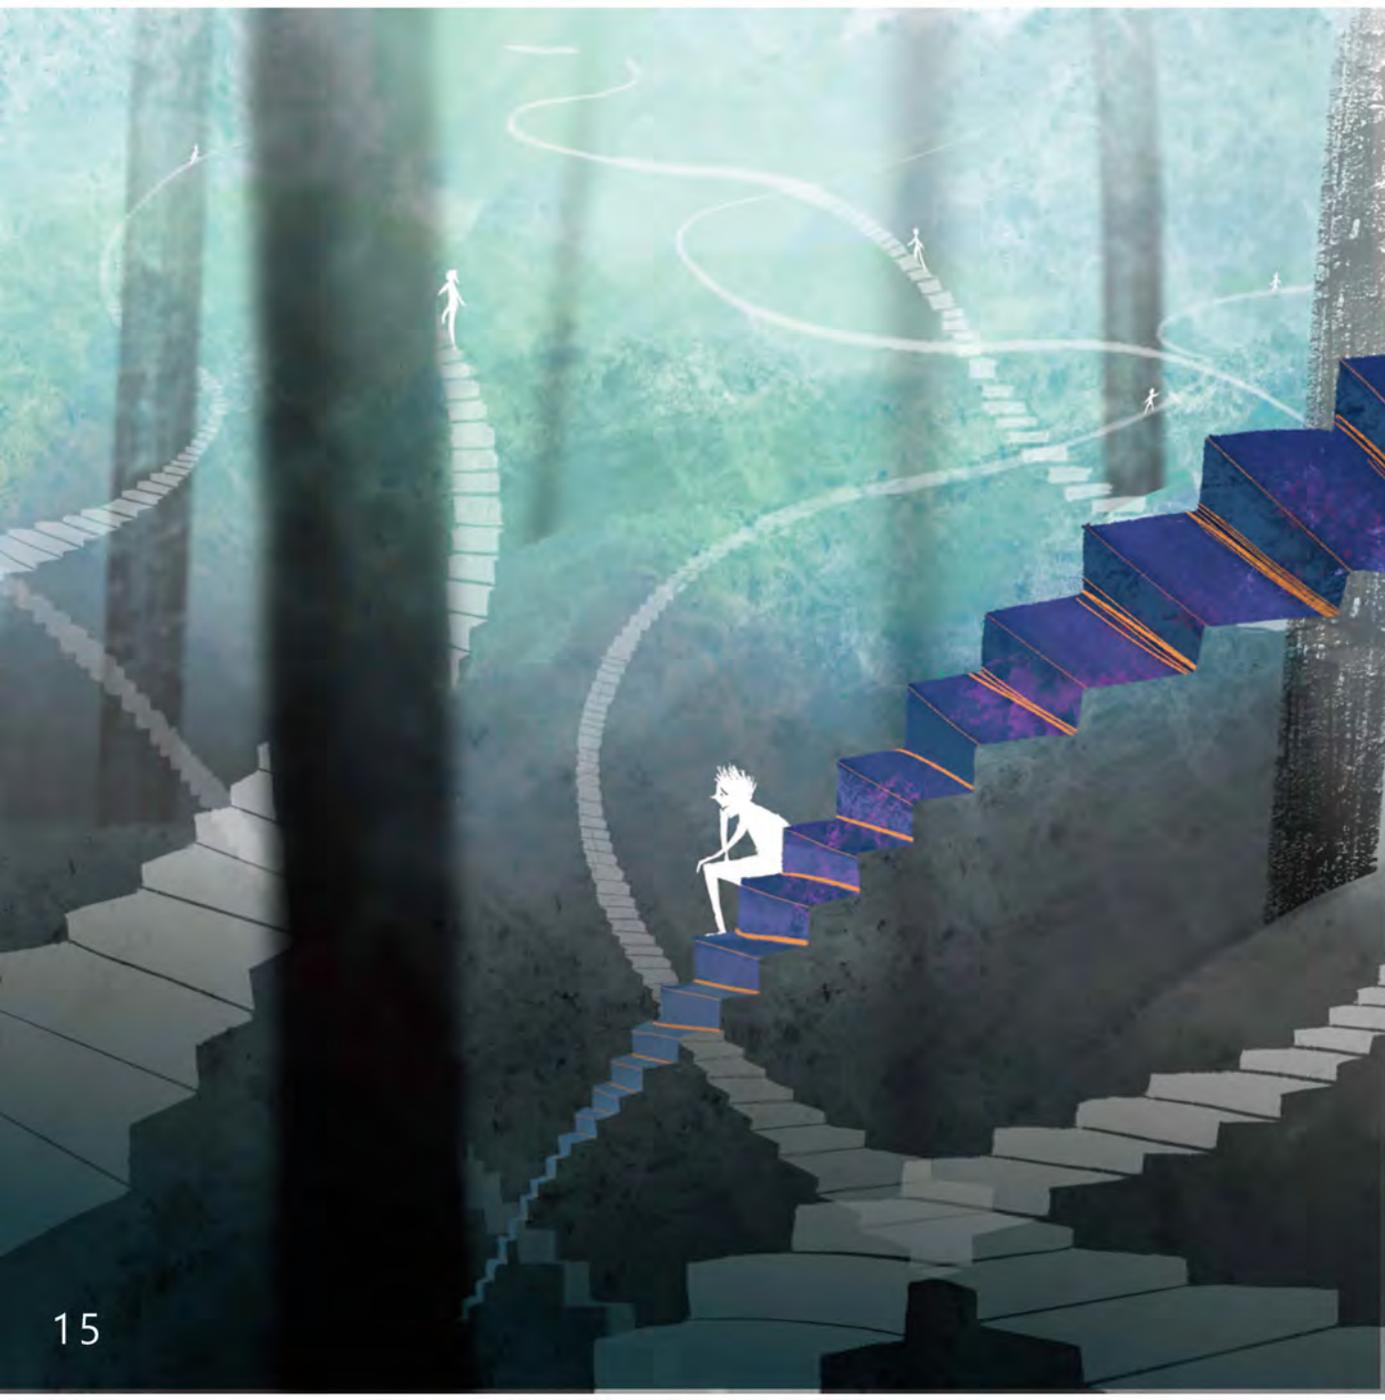

But as time went by,
the stairs tilted steeper and steeper
and finally became a deep cliff. Rainy had
to hold onto the stairs to keep from falling off.

當他快要抓不住時，
幸好樓梯又慢慢恢
成正常的模樣，
小雨鬆了一口氣。

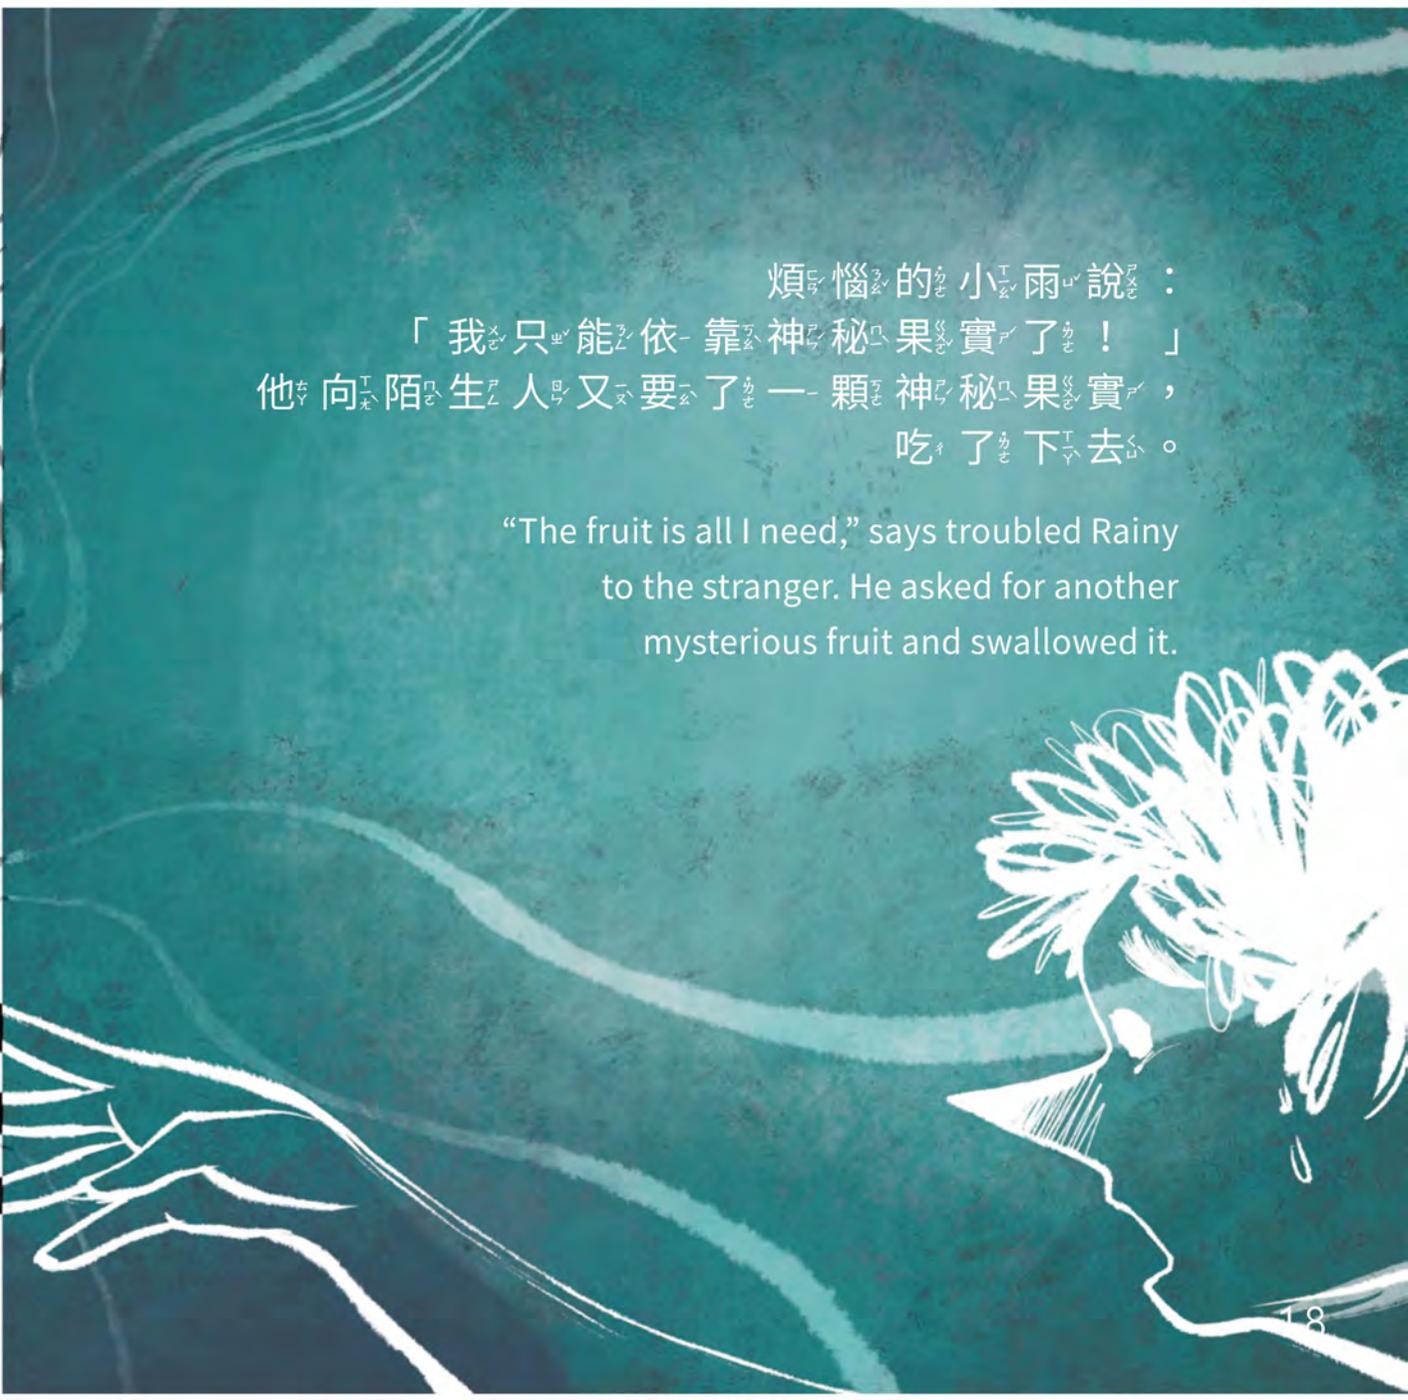

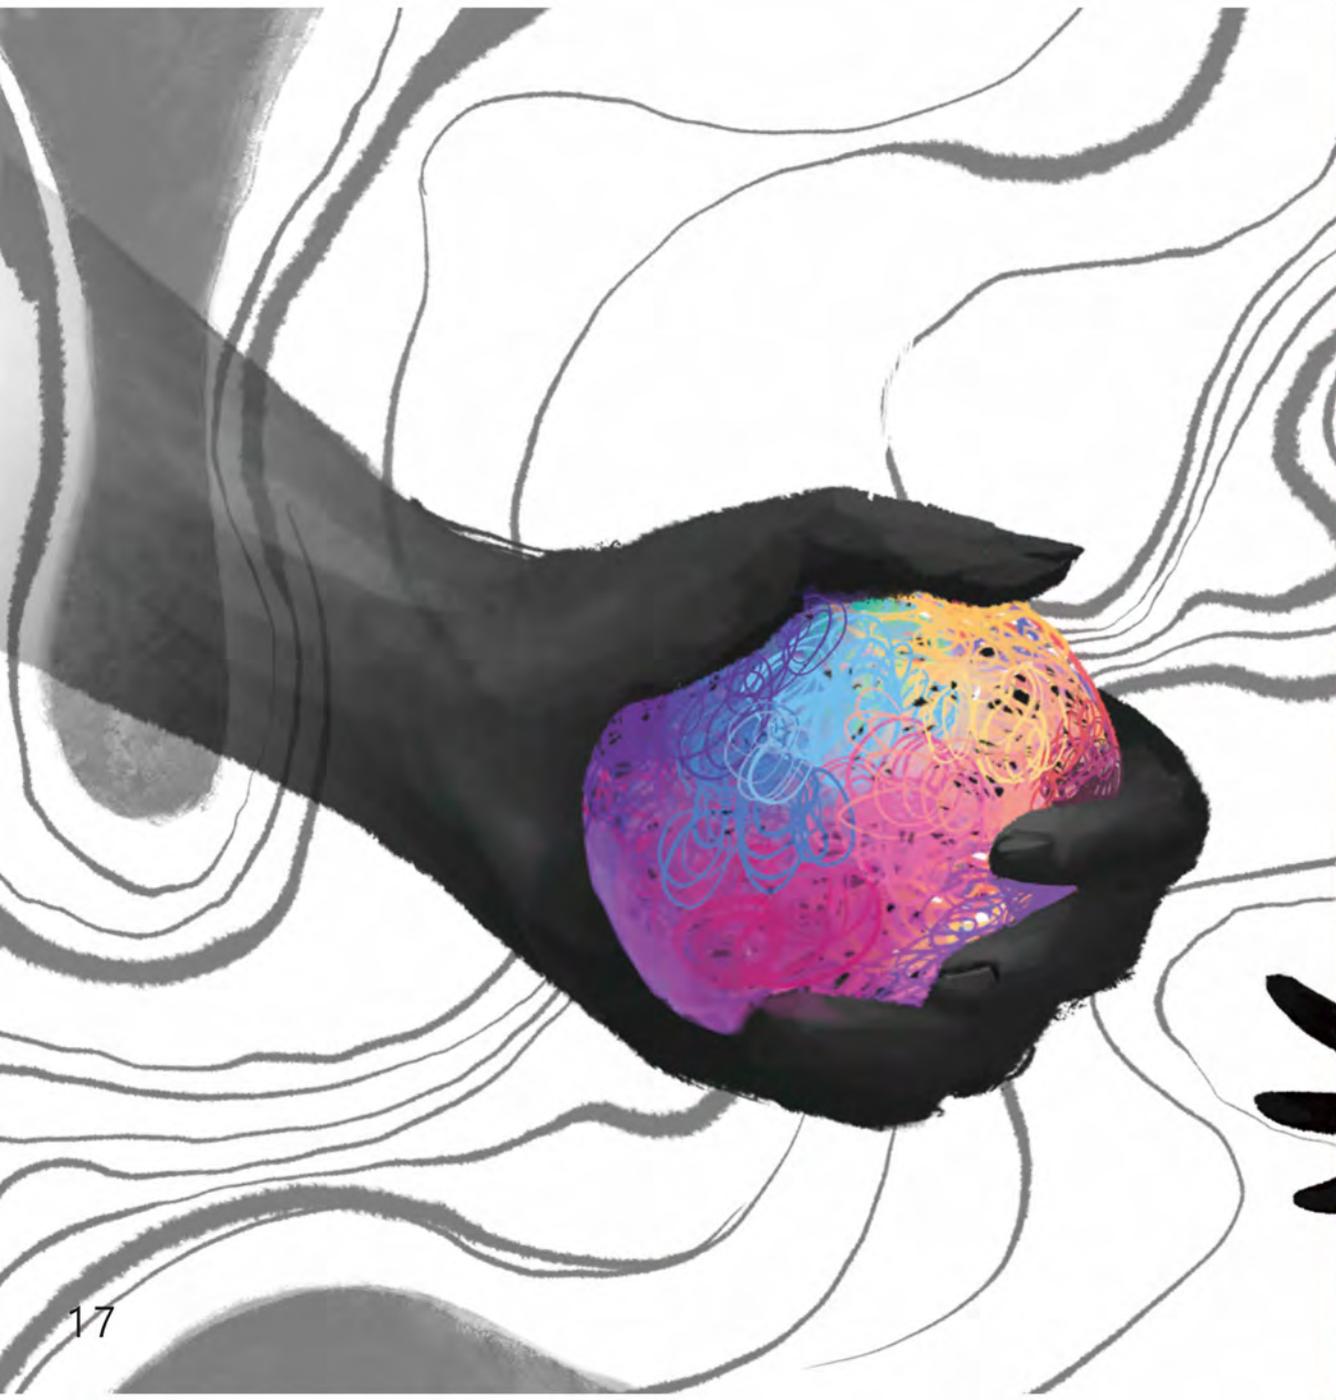

When he was about to let go, the
stairs moved back to normal. Rainy
felt much relieved.

He stopped and saw others have passed him and reached higher. Rainy thought, "If I continue going in this pace I will not catch up. I should run faster when the stairs turn downwards. Then I will see that beautiful scenery sooner!"

煩惱的小雨說：
「我只能依靠神秘果實了！」
他向陌生人又要了一顆神秘果實，
吃了下去。

“The fruit is all I need,” says troubled Rainy to the stranger. He asked for another mysterious fruit and swallowed it.

如同他所想的¹一樣²，

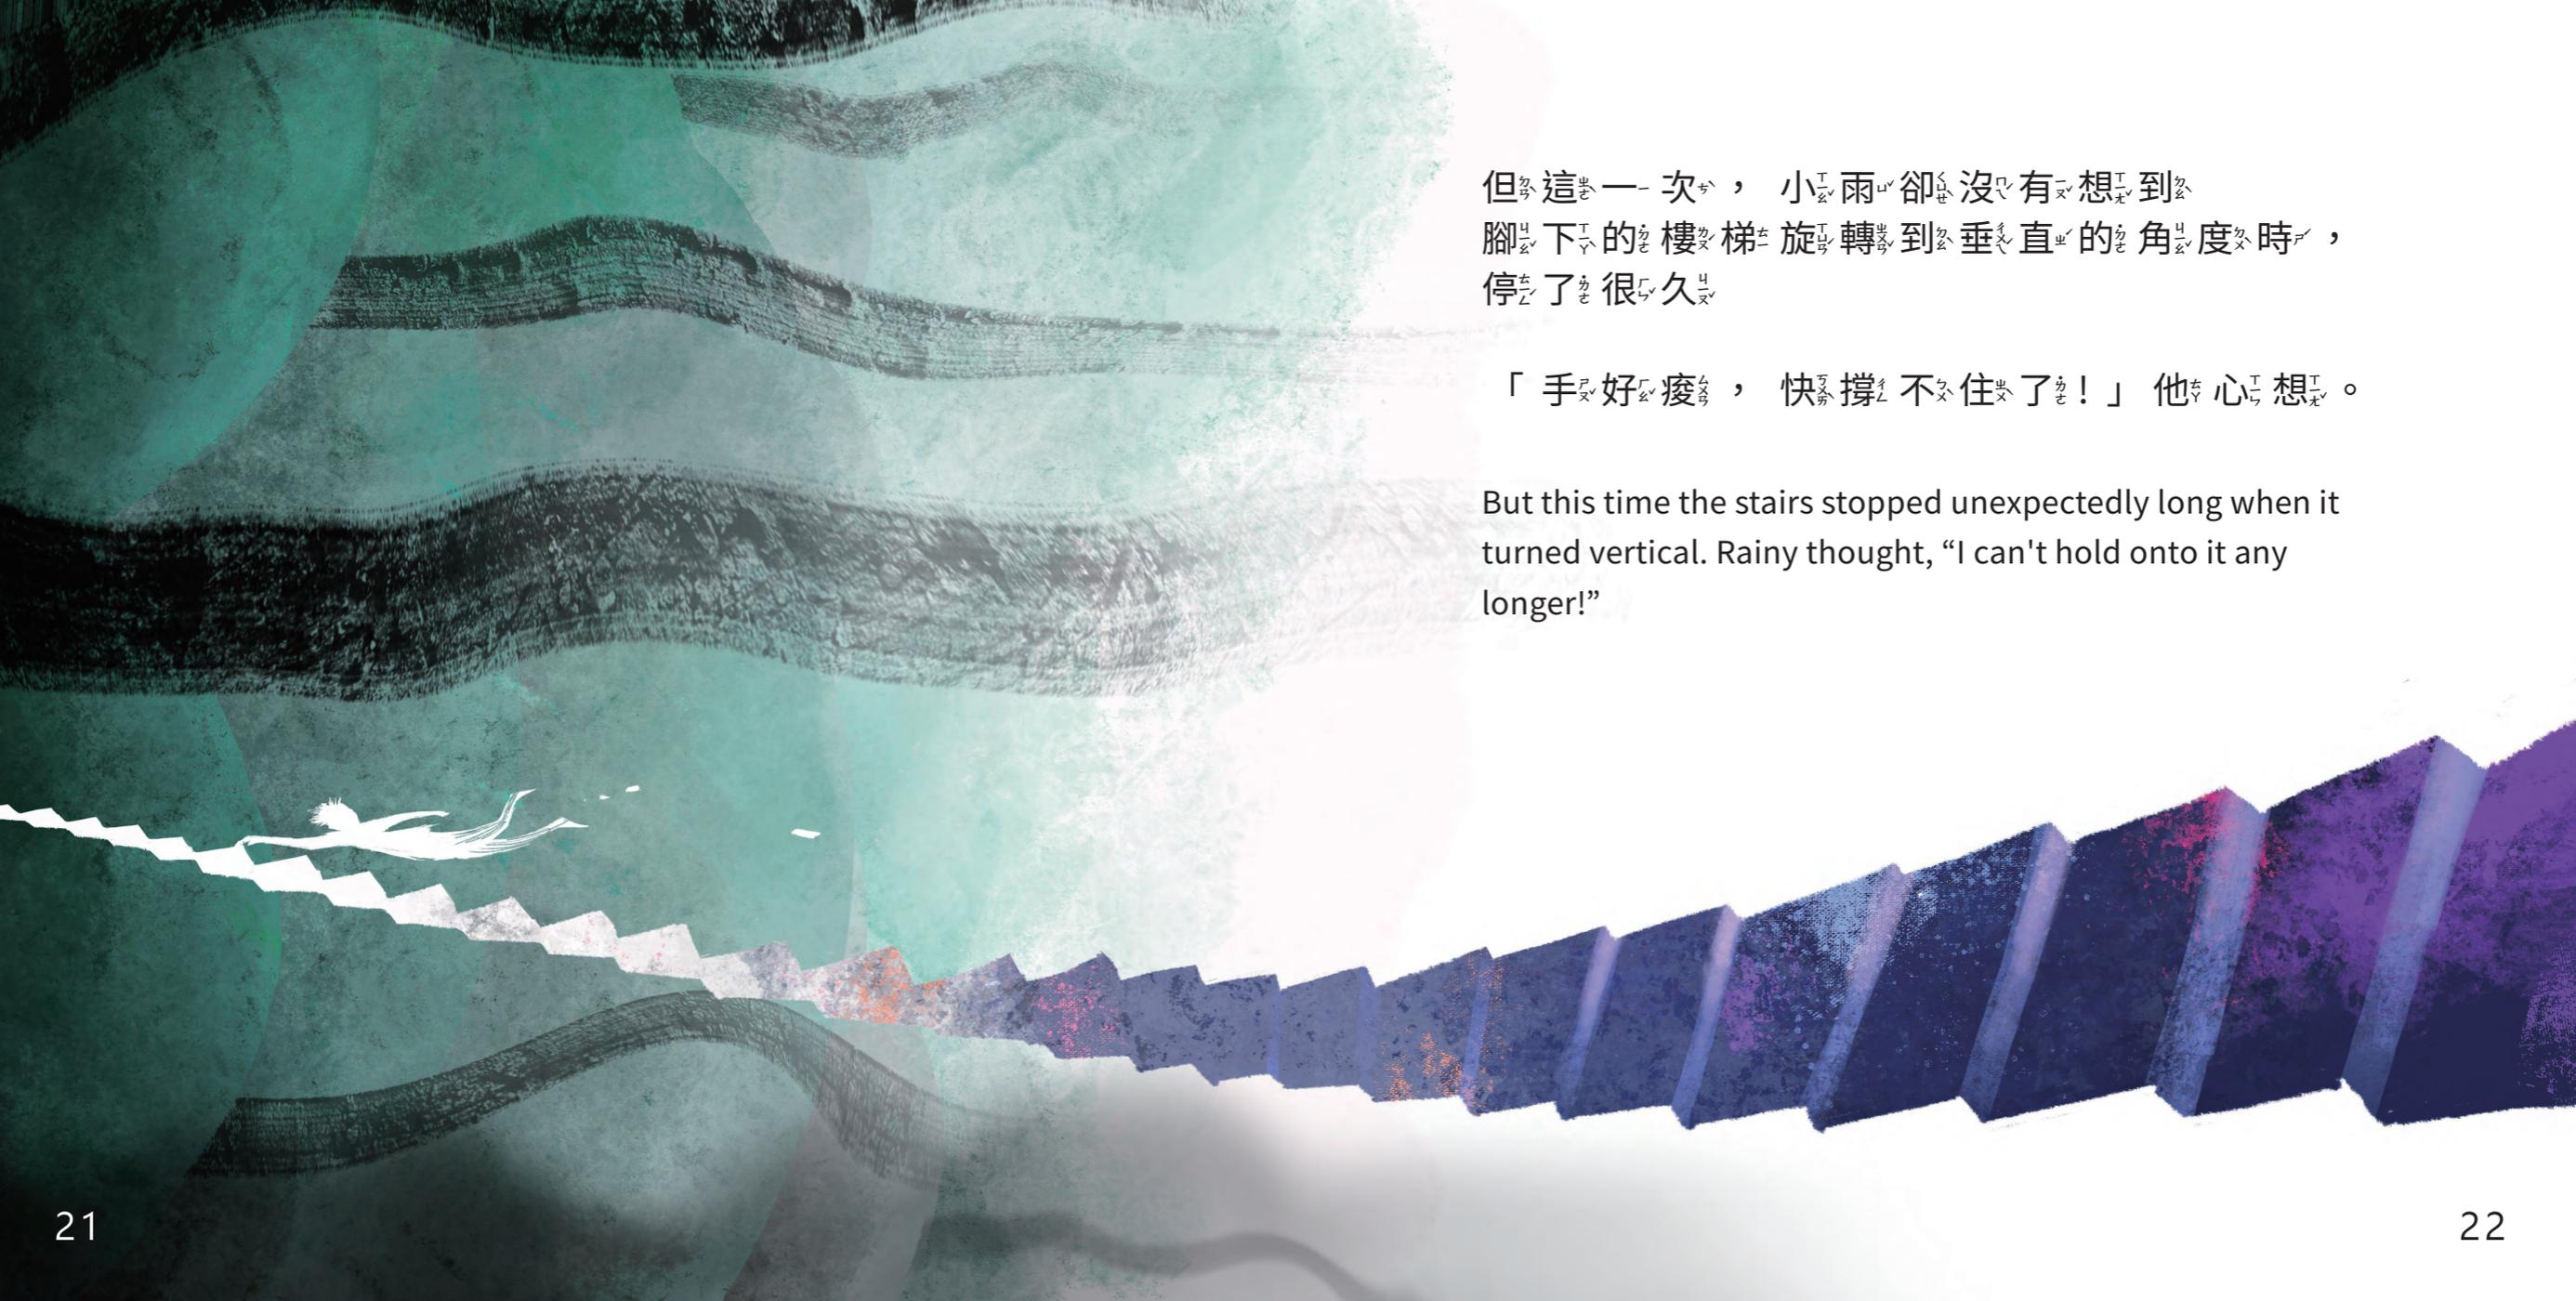

腳下³的樓梯⁴再⁵一⁶次⁷地⁸旋⁹轉¹⁰，

小雨¹¹興¹²奮¹³地¹⁴在¹⁵下¹⁶坡¹⁷時¹⁸往¹⁹前²⁰跑²¹。

Just as he thought,

the stairs started to revolve again.

Rainy ran excitedly downhill.

但這一次，小雨卻沒有想到腳下的樓梯旋轉到垂直的角度時，停了很久。

「手好痠，快撐不住了！」他心想。

But this time the stairs stopped unexpectedly long when it turned vertical. Rainy thought, "I can't hold onto it any longer!"

就在他_手正滑_落時_時，
另一隻_手即_時的_抓住_了他_手，
把_小雨_拉了_上來_來。

He was about to slip when a hand grabbed him
and pulled him up.

「原來這一切並不是真的，我再也不要吃陌生人給的神秘果實了！」
他睜開眼睛，看見拉住他的姐姐。

小雨發現其實他根本不需要神秘果實，只要一步一步地和家人朋友往上走，就可以看到最美麗的風景！

“It isn't true after all,” said Rainy,
“I will never eat the mysterious fruit from that stranger again!”
He opened his eyes and saw his sister who grabbed him.

Rainy realized he didn't need the mysterious fruit. As long as he continued to climb up with his family and friends step by step, he would see the most beautiful scenery!

小朋友，故事到這裡結束了。不知道你有沒有猜到，其實這是一本關於毒品的繪本。

THE END. Dear child, did you guess this is a story about drugs?

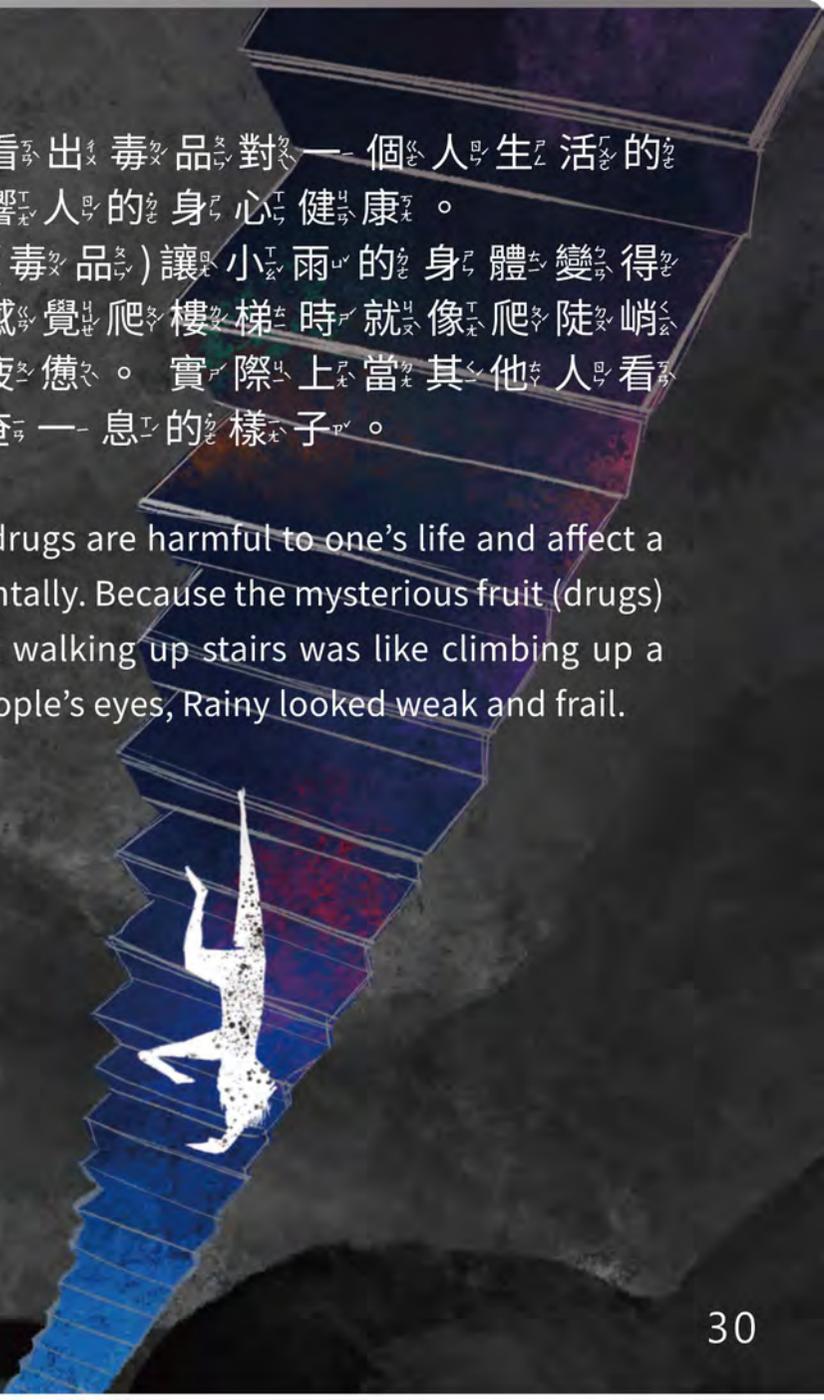

毒品的意思是，會讓人產生依賴、傷害身體、心靈(心智思考)的藥物。

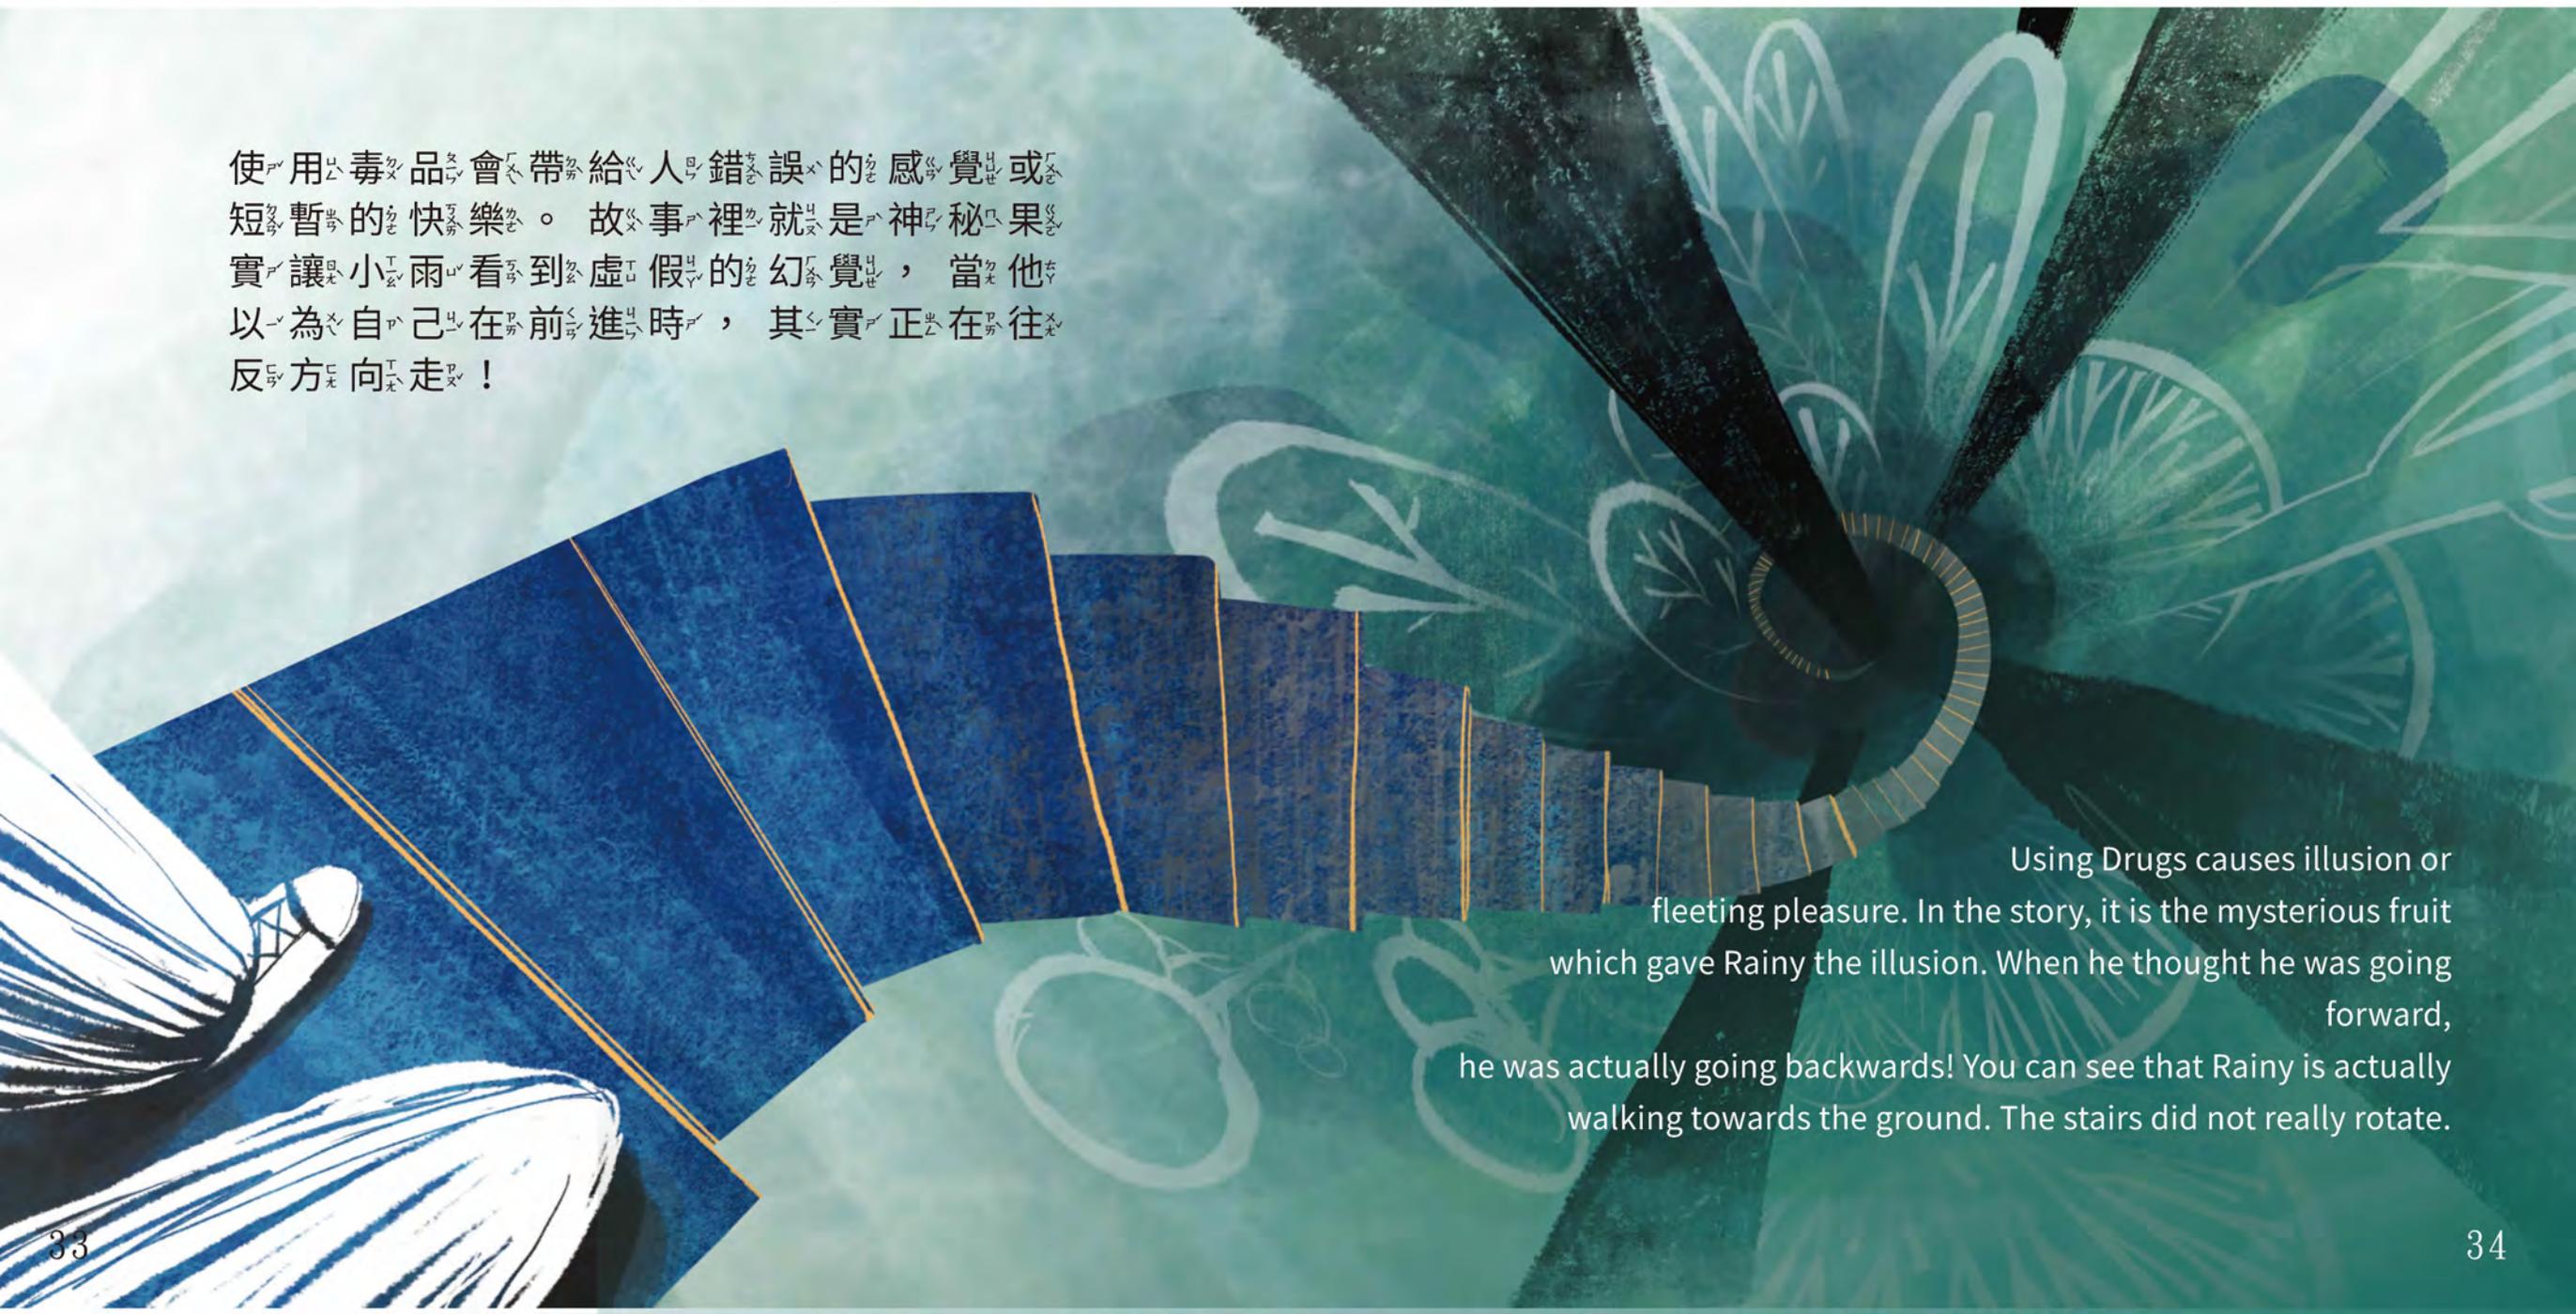

“Drug”
Is a substances that cause addiction andharm to the body and mind.

在故_レ事_ハ中_ニ可_レ以_テ看_テ出_ス毒_ク品_ニ對_シ一_レ個_ノ人_ノ生_ハ活_シ的_ニ危_ク害_ナ，也_レ會_レ影_ニ響_ク人_ノ的_ニ身_ヲ心_ヲ健_ヲ康_ヲ。因_レ為_シ神_ニ秘_ニ果_ヲ實_ヲ(毒_ク品_ニ)讓_ル小_レ雨_ノ的_ニ身_ヲ體_ヲ變_ニ得_ル虛_ニ弱_ニ，所_レ以_テ他_レ感_ニ覺_ス爬_ク樓_ヲ梯_ヲ時_ハ就_キ像_キ爬_ク陡_ニ峭_ニ的_ニ懸_ニ崖_ヲ一_レ樣_ニ地_ニ疲_ク倦_ク。實_ニ際_ニ上_ニ當_テ其_レ他_ノ人_ノ看_テ到_ク他_レ時_ハ，是_キ奄_ニ奄_ニ一_レ息_ノ的_ニ樣_ニ子_ヲ。

In the story, you can see drugs are harmful to one's life and affect a person physically and mentally. Because the mysterious fruit (drugs) made Rainy weak, he felt walking up stairs was like climbing up a steep cliff. But in other people's eyes, Rainy looked weak and frail.

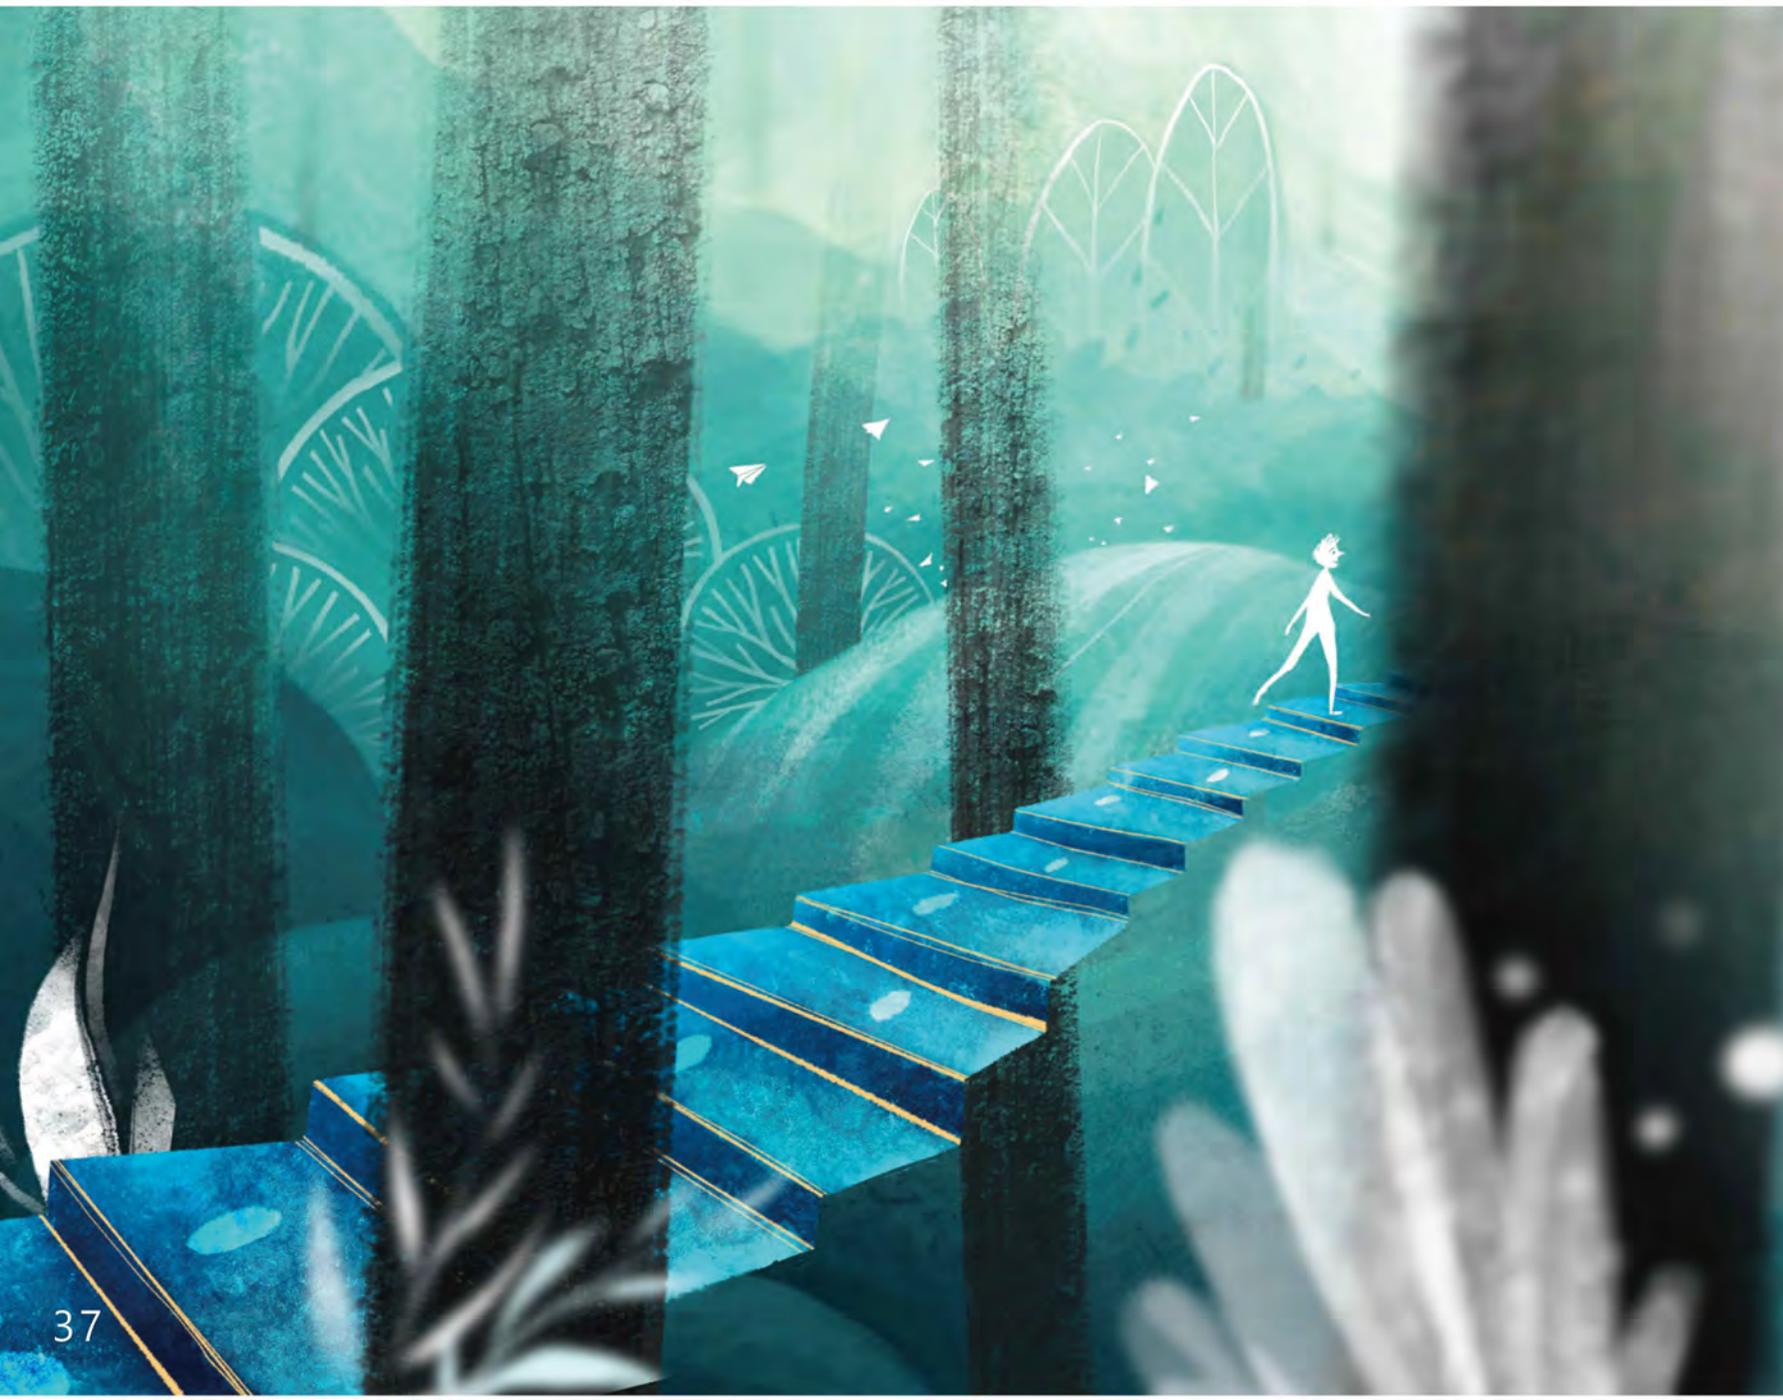

使用毒品會帶給人錯誤的感覺或短暫的快樂。故事裡就是神秘果實讓小雨看到虛假的幻覺，當他以為自己在前進時，其實正在往反方向走！

Using Drugs causes illusion or fleeting pleasure. In the story, it is the mysterious fruit which gave Rainy the illusion. When he thought he was going forward, he was actually going backwards! You can see that Rainy is actually walking towards the ground. The stairs did not really rotate.

吸食毒品之後，
毒品並不會完全排出體外。
而是會殘留在脂肪裡，影響身體
健康與思考能力。

After taking drugs, they will not come out of the body fully.
They remain in fat tissue and affect physical health
and thinking ability.

(請小朋友寫出或畫出自己的目標或夢想。)

最後，小雨決定不再吃神秘果實，選擇一步一步往上走，克服所有可能會遇到的困難與障礙，朝向更高、更美好的目標前進。

In the end of the story, Rainy decided not to take mysterious fruit anymore. He chose to go up step by step, overcoming all the difficulties and obstacles that may be on his way up towards his goal.
